FINANCIAL DEPARTMENT.

Circular No. 2093 – *T. A.* 89, *dated* 11*th March* 1908.

To—The Heads of Departments and Deputy Commissioners of Districts.

It has been observed in the course of audit of establishment pay bills and travelling allowance bills that permanent monthly travelling allowances which are inadmissible during joining time are invariably claimed in full in pay bills and then deducted from travelling allowances claimed for journeys on transfer This practice is incorrect and the following instructions in regard to the procedure to be observed in drawing permanent monthly travelling allowances are issued in supersession of this Office Circular No. 1991, dated the 13th March 1902.

Under Article 574 of the Mysore Service Regulations a permanent monthly travelling allowance cannot be drawn during absence on leave of any description or joining time between appointments or for any period for which travelling allowances of any other kind are drawn. For periods of leave and joining time this allowance should not be drawn at all and bills for such periods should claim only the leave and joining time allowances admissible under the rules. For any period for which other travelling allowances are claimed, permanent monthly travelling allowances for such period should be drawn on pay bills but refunded by deduction from the claim preferred in the travelling allowance bill for the same period. On pay bills in which full permanent monthly travelling allowances are drawn a certificate in the following form should be recorded :—

Certified that permanent monthly travelling allowances drawn in this bill for periods for which other travelling allowances are drawn have been refunded by deduction from the amounts claimed in the travelling allowance bills for the same periods.
